

Day 30 coding Statement : Write a Program to print Length of the string without using strlen() function

Description

Get a string as input from user and print the length of the string without using strlen() function.

Input: Hello

Output : 5

Code:

```
import java.util.Scanner;

public class Day_30 {
    public static void main(String[] args) {
        Scanner sc = new Scanner(System.in);
        String str = sc.next();

        int count = 0;
        for (char ch : str.toCharArray()) {
            count++;
        }
        System.out.println(count);
        sc.close();
    }
}
```

Output :

```
C:\Users\DELL\Talent-Battle-100-Days-Coding-Series\Day_30\Java>java Day_30
